Howland Wood -
Acting Secretary -

Broadway at 155th St. N.Y. City.

Dear Mr. Wood -

In response to your
very kind letter of Saturday I want to say
that I have a very warm place in my affec-
tions for the Society - I was a member for
years in the "Eighties" when the name was
longer, - American Numismatic & Archaeological
Society, - and I spent many happy evenings with
the boys when the meetings were held in the
old N.Y. University Bldg, down at Washington Square.
I allowed my membership to lapse, - not
through lack of interest in the subject, but through
pressure of busy life -

I have been a member of the "Association" for
several years recently, and visited your Society
on the occasion of your reception to the Association
during last summer's Convention -

I shall be very glad to renew my former relations
with the Society, and thank you for the invitation
Very truly yours
Herbert F. Sovarel
